Re: *Doe v. Doe*

Docket Number: 16 cv 00332

Dear Judge Roman:

I am the Defendant in the above matter, appearing pro se, writing in response to a letter filed with the Court by date of March 9, 2016 by Mr. Sash on behalf of Plaintiff.

Preliminarily, a few corrections to Mr. Sash's letter: Defendant's Answer, Defenses and Counterclaims were filed, in person, with the Pro Se clerk. Mr. Sash was served by USPS Express Mail, not electronically. Mr. Sash has emailed me but we have communicated only in writing.

Mr. Sash's letter is directed to the issue of Plaintiff's motion to the Court to proceed by use of pseudonyms to identify the parties.

Defendant is not opposed to the motion insomuch as it applies to both parties.

Defendant notes however that he has never identified Plaintiff and Plaintiff is neither identified nor identifiable in the 'video' in question. Indeed, it was Plaintiff who caused defendant to be identified to the media and created, by her actions, the media attention which surrounded this matter.

Defendant notes, further, that Mr. Sash claims a 'Statement of Facts' which is a repeat of his allegations in the Complaint; allegations denied in material part in

Defendant's Answer and in contention in this case. Defendant's responses to those allegations are detailed in the Answer and are not repeated here.

Thank you for your consideration.

Respectfully,

A handwritten signature in black ink, appearing to be the initials 'JD' or a stylized 'S'.
